## **Butterscotch Tart**

I have always LOVED this block but as an observer from afar. So I can't even tell you my delight when we figured out a mathematical way to make these little beauties without a single template or "y" seam! Enjoy making these most traditional carpenter's wheels blocks without all the work. Two different renditions of the quilt are possible in class.

### **Materials list**

*All yardage is based on 40"-wide fabric unless otherwise stated.*

### **(pattern included in class fee)**

Layer Cake or any collection of (30) 10" squares
